## STIs 101

### Getting to know Sexually Transmissible Infections(STI's)

As a part of *Sexual Health Awareness Week 2009* the Bendigo Loddon PCP Sexual Health Task Group is pleased to provide a professional development opportunity for local professionals.

The day workshop will provide an introduction and update to STIs including:

- Current Epidemiology
- Clinical Signs
- Modes of Transmission
- Available Treatments

This workshop will also examine strategies for talking about sexual health with clients and sexual health promotion initiatives.

This is an essential workshop for anyone who wants to gain a basic understanding of STIs and beneficial for those looking to refresh, update or build their knowledge/skills for their professional role.
