# Newsflash

SPECIAL DECEMBER 2009 EDITION

## Season's Greetings

The BLPCP Executive Committee and Staff would like to wish you and your families a Merry Christmas and health and happiness for the New Year of 2010

The Bendigo Loddon PCP Office will be closed from Thursday 24 December 2009 until Tuesday 5 January 2010

## Bendigo Loddon PCP Staff Changes

Member organisations will notice some changes occurring in the PCP Secretariat Office.

Leah Wilson, our Programs Coordinator is on family leave, following the birth of Emma Charlotte several weeks ago. Leah will be returning to work part-time (3 days per week) in September 2010.

Tess Westbrook, who joined the Team as a Project Worker last April, has resigned to seek work in a "hands on" role. Tess is marrying her partner Dan in May 2010 and we wish them both much happiness.

Leanne Oberin joined our office as part-time Executive Assistant in June and has proven to be an important Team member. Leanne has completed all the organising and administration for the events during the preparation of the Strategic Plan and has responsibility for the communication with members using Newsflash and our Web page.

Jenna Long commenced work as our new Project Worker in October 2009. Jenna is a graduate of Deakin University and achieved distinctions and high distinctions in all subjects. Jenna will be working full-time across Integrated Health Promotion, Integrated Chronic Disease Management and Service Coordination.

We are now seeking a part-time temporary Project Officer from February to September 2010 to complete some specific projects during Leah's maternity leave.

Our Executive Officer, Jeanette Grant, continues to work part-time to manage the PCP business and staff.

**The best way to contact any of the PCP Secretariat staff is to call 5448 1624 or leave a message with the Receptionist at Bendigo Community Health Services on 5448 1600.**
